\$1,000.00 in Cash Prizes

The manufacturers of the Hoosier Kitchen Cabinets are going to divide \$1,000.00 in cash among the agents who sell the most cabinets before Christmas.

We want the first prize—and we believe we can get it because we know the Hoosier Kitchen Cabinet—know it is a convenience and work saver that every housekeeper ought to have in her kitchen.

We have already sold a large number of these cabinets—not a single complaint—not a woman who will not tell you the Hoosier cuts down her work and makes it easier—not one who would sell her cabinet for twice what she paid for it, if she couldn't buy another.

Mr. Husband:

We'll not say a word till Xmas morning.

Pick it out today.

But over 2,000 other Hoosier agents will enter this contest, and we must push our sales as high as we can.

So we are going to make it easy for you to buy NOW. You can commence tomorrow saving your work the Hoosier way ("the easy way") and pay for the cabinet on such agreeable terms that you will never miss the money.

The plan we offer you is the Hoosier Club Plan—it's a good way to get the best and most convenient cabinet made.

Let us tell you about it.
